Moreno Valley, CA 92557

The Virtual Inclusion Collaborative State Conference is an interactive and reflective educational opportunity to understand and learn evidenced based practices for individuals involved in the care and education of children from birth to five years with and without disabilities to create or enhance inclusive practices in their respective programs and communities in which they live.

Desired Outcomes:

- * Develop relationships across agencies to support inclusive practices
- * Understand and learn about research findings, modes and evidenced based practices to guide inclusive practices, policies and professional development
- * Meet and learn from peers to problem solve and create inclusive programs for children from birth to 12th grade
- * Create a community of practice to support inclusion around the state

Registration Fee Includes:

- * Continental Breakfast & Lunch
- * Opportunity Door Prizes
- * Professional Growth Certificate
