

## UPK Mixed Delivery Systems

### Engagement & Involvement

UPK Mixed Delivery Systems offer a variety of early learning and child care settings, providing parents and guardians with authentic choices to meet the unique needs of their families. This approach ensures flexibility and inclusivity, empowering families to select programs that best align with their circumstances.

### UPK Mix Delivery Planning Workgroup

It gives ECE leaders, the ECE workforce, UPK partners, and the community a voice through the local UPK Mixed Delivery Workgroup. This group works collaboratively to identify available program types, address gaps, and develop a clear roadmap of program options accessible to families across the county.
